

The Saints' Federation

50 THINGS TO DO BEFORE YOU'RE 9!

At The Saint's Federation we care for the whole child, one of our aims is that all children will leave our schools with the confidence, compassion and experience that will enable them to tackle a wide range of situations. As part of this we are introducing an exciting new project - 50 THINGS TO DO BEFORE YOU'RE 9!

During their five years at school, children will be given the opportunity to complete the 50 tasks. These are aimed to challenge children and give them a wide range of experiences. They include:

Building a raft for a toy figure to sit on, building a den, having a pen pal, visiting a place of historical interest, baking a cake, visiting a different place of worship, canoeing, teaching another child a skill and running around in the rain - to name but a few.

Children will have a booklet, which will be kept in school, to record their adventures in. A copy of this will be kept in the entrance to school for you to look at. Obviously children who are already part way through their journey at our schools may not complete all of their fifty tasks but we will endeavour to give them as many opportunities as possible.

We look forward to engaging with this project and are sure that the children will enjoy it.

Launch of 50 THINGS TO DO BEFORE YOU'RE 9 at All Saints'

At All Saints' we have planned an exciting launch day for the project. On Wednesday 14th February we have a samba drumming workshop booked. Throughout the day the children will work with the drumming expert within their class but when the children are not drumming they will take part in activities with their class. The activities will be one of the '50 Things' that your child can tick off in their booklet. During the day your child can wear normal uniform on the top half and joggers or leggings (school or not) and trainers on the lower half. At 2.45 there will be a performance by Year 4 (sorry, not enough drums for the whole school) that all parents may attend. This will be a 'standing room only performance' when other classes may also show off work. Attending parents may take their child, once this has ended. If your child is to be collected by someone other than yourself, please inform school beforehand.
