

Working Scientifically – Key Stage 2

I ask my own questions. I use different ways to answer them

I set up my own simple tests

I make careful observations

I draw simple conclusions and make predictions for new values

I use relevant scientific language

I suggest improvements and raise further questions

I use different equipment to measure accurately in standard units

I explain what I have found out using speaking and writing

I gather, record, classify and present data in different ways including drawings, labelled diagrams, keys, bar charts and tables
